

Bluetooth® Sound Bar 180W with wired subwoofer Black Thomson

Descriptif produit

Powerful and convenient equipment with a subwoofer

Convenient, it takes up little space but offers you a sound power of up to 200 W.

Thanks to it, you can immerse yourself fully in the heart of your entertainment.

Equipped with USB inputs, this sound bar allows you to listen to your music from a variety of media.

It also features Bluetooth® technology, so you can pair your smartphones and MP3 players wireless.

For added simplicity, the sound bar comes with a remote control.

To enhance its sleek styling, the black sound bar has hidden buttons and connectors on the side.

You can install it from the front under a TV screen, right next to its housing. Its metallic logo contrasts with the dark colour of the model.
