

Wifi dongle Archer T600U Nano USB A AC600Mbps Black TP-Link

Descriptif produit

High-speed dual-band adapter for better connections

High-speed dual-band adapter for better connections

The Archer T600U Nano receives Wi-Fi signals on two separate bands. Supported 256QAM technology boosts the 2.4 GHz data rate from 150 Mbps to 200 Mbps for up to 33% faster performance. 433 Mbps on the 5 GHz band is ideal for lag-free HD video streaming and online gaming.

Mini and ultra-discreet design

Thanks to its miniature size and sleek design, users can plug the nano adapter into any USB port and leave it there, whether traveling or at home.

Wi-Fi roaming compatible

The Archer T600U Nano supports Wi-Fi roaming, allowing your devices to automatically connect to the best available Wi-Fi network while ensuring continuous network connectivity.

Easy setup

A user-friendly interface for simple installation.

Advanced Security

WPA/WPA2 encryption standards ensure your Wi-Fi connection is protected from intruders.

Wi-Fi Roaming Ready

The Archer T600U Nano supports Wi-Fi roaming, allowing your devices to automatically connect to the best available Wi-Fi network while maintaining network continuity.

Technical characteristics

Supported operating systems: Windows 10 / 8.1 / 8 / 7 / Vista / XP, Mac OS.

Compatible mobiles

Compatibilité

Compatible avec : IPHONE 3G .
