

Powerbank 10000mAh 2 USB A+C ports 25W PD Silver Samsung

Descriptif produit

With the ultra-fast charging function of 25W, you can charge your compatible devices in a very short time.

High quality, high capacity

Samsung's first 10,000mAh Battery Pack meets your high daily demand for power. The higher capacity gives you the confidence of knowing that you can recharge your devices multiple times when you have to.

25W Super Fast Charging

Super Fast Charging at 25W output means that you can power up quickly on the move. The Battery Pack itself can also be charged at 25W so you won't waste time for waiting. It also meets Samsung AFC (Adaptive Fast Charging), Quick Charge 2.0, and Power Delivery 3.0 standards for fast and safe charging

A highly efficient triple device charger

Triple the advantage. Thanks to its double-port charging capability, the Samsung Battery Pack can power two devices simultaneously for added convenience and far less hassle

Universal Compatibility

Works well with your devices and the convenient way to stay charged. Samsung Battery Pack supports low current charging and is compatible with a wide range of third-party devices and Samsung devices, to give you plenty of freedom to charge when you need to.

Safely charge your device

Protect your battery against overcharge, short circuits, temperature, impact and so much more. This Samsung Battery Pack has many safety features to ensure your device and battery pack will support you quickly and safely.

1 USB Type-C input / output and 1 USB A output
