

iPhone 12 / 12 Pro Folio Elysée Leather Black Artefakt

Descriptif produit

The Parisian chic folio for your mobile: a mixture of elegance, chic and relaxation. A tribute to the Paris of trunk-makers, where fine craftsmanship becomes the ultimate luxury. Refinement, like the devil, is hidden in the details; here are the finishes.

Full grain leather protection with finesse, handcrafted and designed in Paris.

Nobility of materials
Our accessories are made from high-end materials, made to last, to have a patina, and to accompany us in all circumstances while of course protecting this object that has become so important in our lives: our smartphone.

Parisian style
Our design studio is based in Paris, it is in this city that all our collections are designed and designed. Our inspirations come naturally from the Parisian heritage, from the architectural elements and style of the different districts of the capital, this very particular style, a mixture of elegance, chic and relaxation.

Careful manufacturing
We select our manufacturing workshops with the greatest care, for their know-how, their excellence in the realization of our accessories. We have made sure that creativity meets craftsmanship in all of our products.
