

iPhone 12 / 12 Pro Case Saint Germain 3D Black - Made in France Artefakt

Descriptif produit

The Parisian chic case for your mobile: a mixture of elegance, chic and relaxation. In this district where the bourgeois are bohemian, evening dresses are worn with disheveled hair, suits in sneakers; all mixtures are good, as long as the materials are noble.

3D resin case with finesse, handcrafted in Paris.

Nobility of materials
Our accessories are made from high-end materials, made to last, to have a patina, and to accompany us in all circumstances while of course protecting this object that has become so important in our lives: our smartphone.

Parisian style
Our design studio is based in Paris, it is in this city that all our collections are designed and designed. Our inspirations come naturally from the Parisian heritage, from the architectural elements and style of the different districts of the capital, this very particular style, a mixture of elegance, chic and relaxation.

Careful manufacturing
We select our manufacturing workshops with the greatest care, for their know-how, their excellence in the realization of our accessories. We have made sure that creativity meets craftsmanship in all of our products.
