

Bluetooth® Headphones Tune 760BTNC ANC with Microphone Over-ear White JBL

Descriptif produit

The JBL TUNE 750BTNC wireless headphones feature powerful JBL Pure Bass sound and active noise cancellation for energetic bass and an immersive audio experience.

Active Noise Cancellation (ANC)
Focus on your music. Ignore the noise.

JBL Pure Bass Sound
For over 70 years, JBL has engineered the precise, impressive sound of the world's largest concert halls. These headphones reproduce that same JBL sound, delivering deep, powerful bass.

Wireless Bluetooth Streaming
Wirelessly stream high-quality sound from your Bluetooth® devices without tangled cables.

15-Hour Bluetooth Playtime with ANC | 2-Hour Charge Time
Enjoy up to 15 hours of wireless listening with active noise cancellation for extended enjoyment, or up to 30 hours with a cable and ANC. Recharge the battery quickly in just 2 hours.

Multipoint Connection
They allow you to seamlessly switch between Bluetooth® devices. Easily switch from a video on your tablet to a call on your mobile phone, so you never miss a call.

Hands-free calling and voice control
Control your audio, manage your calls, and activate your voice assistants easily from your headphones using the on-ear buttons.

Lightweight and foldable
The lightweight design and compact fold mean these headphones are always ready to go with you, wherever you go.
