

MagSafe Car Wireless Charger 15W Qi Airvent Mount White Bigben

Descriptif produit

The perfect solution for fast charging your smartphone in the car!

Induction charging
Place your phone on the holder and it instantly charges without a cable.

MagSafe compatible
For faster charging of your iPhone, this car charger is compatible with Magsafe technology. Multiple built-in magnets precisely align your MagSafe-enabled iPhone and improve charging efficiency.

Convenient in the car
This car mount attaches to the ventilation grille. Use it as a holder for your iPhone or as a charger. No need to worry about cables.

2 in 1 Detachable
The induction pad can be removed from the car holder. So you can use it as an induction charger at home or in the office.

Fast charge
With up to 15W of charging power, you can enjoy ultra-fast charging when you need it most.

Informations complémentaires

Bigben Connected: The brand for your smartphone essentials
• The consensual style that will accompany you day-to-day
• A wide choice of accessories to charge, protect, personalize, facilitate the use of your mobile
• An excellent value for money with quality products while remaining affordable
• Eco-designed packaging with zero plastic and fully recyclable. Cardboard (certified from responsible forest management), glue (vegetable) and ink (soya)
• A recycling center with the prepaid return of old products to be recycled to promote the circular economy

Bigben Connected is a French brand whose products are designed and developed in Paris.
French specialist in smartphone accessories for 25 years, our products are tested and certified according to the standards and directives in force on the market.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Thanks to the QR code or link provided in the pack of the purchased product www.bigbenconnected.fr/recyclerie/, download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?
Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use. Find out how the environmental impact of our products is calculated at www.thegreenact.org.
