

iPhone 14 Plus MagSafe Case Hybride Transparent Bigben

Descriptif produit

A solid and discreet MagSafe compatible cover for your mobile

Thin and discreet
Follows the design of the mobile and facilitates access to mobile features as well as connectors

Shockproof raised edges
Protect your phone's screen and rear camera

compatible Magnet & MagSafe
Ensures your case a support and an optimal position to work with all Magnet & MagSafe magnetic accessories: card holder, wireless charger, car holder, video stand, etc ... This will make it easy to charge your Magsafe-enabled iPhone quickly.

Hybrid design: soft at the edges and rigid on the back
Made from soft materials on the sides and rigid on the back, it is designed to absorb shocks. It provides a feeling of solidity and an ideal grip while protecting your mobile against dirt, scratches and shocks on a daily basis.

Anti-yellowing treatment
For protection that accompanies you durably

Compatible with all screen protectors: flat, 2.5D or 3D

Eco-designed packaging fully recyclable
Cardboard (certified from responsible forest management), glue (vegetable) and ink (soy).

Product Upcycling
Prepaid return of old products to be recycled to promote the circular economy.

Bigben Connected is a French brand whose products are designed and developed in Paris.
French specialist in smartphone accessories for 25 years, our products are tested and certified according to the standards and directives in force on the market.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Thanks to the QR code or link provided in the pack of the purchased product www.bigbenconnected.fr/recyclerie/, download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?
Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use. Find out how the environmental impact of our products is calculated at www.thegreenact.org.
