

iPhone 13 / 14 MagSafe Case Icon Silicone Black Puro

Descriptif produit

A trendy and magnetic case with a soft touch

Icon" Collection
Puro's "Icon" series protective case brings Italian fashion and design to the world of high tech.

Protection guaranteed
Designed to protect your phone while reflecting the latest fashion trends, the shape of this silicone case fits perfectly around the curves and controls of your device without thickening it. The device is protected on all four sides and the raised edges help protect the camera.

MagSafe
Thanks to MagSafe Technology, it allows a quick connection to the iPhone, wireless Qi and all MagSafe compatible accessories

Soft Touch Effect
The outer part of the case has a smooth touch which feels very comfortable in the hand.

Microfibre interior
The inside of the case is made of soft microfiber to protect your device from scratches.
