

iPhone 14 Pro Case Hybride Built-in card holder Transparent Bigben

Descriptif produit

A solid and discreet protection that allows you to always have your cards at hand.

Protection against bumps and scratches
Made from materials that are soft on the sides and stiff on the back, it's designed to absorb shock. It provides a feeling of solidity and an ideal grip while protecting your mobile against dirt, scratches and daily shocks.

Integrated card holder
A slot for all your cards is built into the back of the case. convenient, the card holder can hold up to 3 cards.

Solid but discreet
This thin and discreet case perfectly matches the curves of your device without compromising its line and emphasizes the side button as well as the volume buttons.
It thus leaves free access to all the functionalities of the mobile as well as to the connectors.

Its design adapts to all flat screen protectors, 2.5D or 3D.

Its treatment allows it to resist yellowing and makes it a product that will accompany you for a long time.

Bigben Connected is a French brand whose products are designed and developed in Paris.
French specialist in smartphone accessories for 25 years, our products are tested and certified according to the standards and directives in force on the market.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Thanks to the QR code or link provided in the pack of the purchased product www.bigbenconnected.fr/recyclerie/, download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?
Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use. Find out how the environmental impact of our products is calculated at www.thegreenact.org.
