

iPhone 14 Pro Reinforced Case Feronia Bio Pure 2m Transparent Black Itskins

Descriptif produit

The reinforced case with transparent back 100% Biodegradable & Compostable

100% Biodegradable & Compostable, the Feronia Bio Pure case offers intelligent protection against falls up to 2 meters.

The World First Clear Drop Protection 100% Compostable case.

FeroniaBio Pure is designed around our world-recognized HEXOTEK XTRA technology, the most efficient shock-absorbing technology available in smartphone cases.

It has been certified to protect your device from drops up to 2m /7 Ft.

This 100% Compostable cover will not only enhance your phone style with its transparent back but it will also protect it against high impact drops.

Infused with our patented antimicrobial technology this case will not only protect your phone but kill 99.99% of germs that come in contact!

but it will also protect it against high impact drops.

For each FeroniaBio case purchased, ITSKINS plants a tree (ONE TREE PLANTED program)
