

iPhone 14 Pro Max 360° Case 360° Full protection Black Bigben

Descriptif produit

With this 360° case, protect your entire smartphone against drops, scratches and dust

360° full protection
Thanks to this full-length case, protect the front and back of your smartphone. With its two parts, the shell protects the entire mobile from damage that can be caused by daily wear and tear. It displays perfect resistance against shocks, falls and scratches. The camera block is redesigned and raised to protect it from hazards. Once installed, your mobile will no longer fear everyday unexpected events.

Resistant rear protection against shocks
The rear part covers the back and sides of your mobile: perfect resistance against shocks, falls and scratches.

Front protection: tactile, unbreakable and scratch-resistant
The soft front wraps around the entire screen surface and the entire side of the phone. This will protect your screen from scratches and scratches. Ultra-thin and transparent, it perfectly preserves the visual properties of the screen. The front protection is tactile, it allows you to enjoy all the original properties of the screen while protecting it from scratches.

Easy assembly
Assembling the 2 parts is quick and simple. Once installed, it offers a perfect fit to the shape of your smartphone and allows free and unhindered access to all its features.

Accessible features
This case has precise cutouts to guarantee unlimited access to all features: ports and connectors. You can easily plug in your charger or headphones.

Fully Recyclable Eco-Friendly Packaging
Cardboard (certified from responsible forest management), vegetable-based glue, and soy ink.

Product Upcycling
Prepaid return of old products for recycling to promote the circular economy.

Bigben Connected is a French brand whose products are designed and developed in Paris.
French specialist in smartphone accessories for 25 years, our products are tested and certified according to the standards and directives in force on the market.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Thanks to the QR code or link provided in the pack of the purchased product www.bigbenconnected.fr/recyclerie/, download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?
Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use. Find out how the environmental impact of our products is calculated at www.thegreenact.org.
