

Wireless Charging Station 15W Qi 2 zone stand Smartphone + Truewireless Black Bigben

Descriptif produit

Put your phone down and the stand takes care of the rest.

Induction charging
No more cables! Simply place your smartphone on the base to charge it instantly without cables.

MagSafe compatible
For faster charging of your iPhone, this induction mount is compatible with Magsafe technology. In fact, several built-in magnets precisely align your MagSafe-enabled iPhone and improve charging efficiency.

Magnetic
This holder has a magnetic attachment that holds the iPhone perfectly. It allows you to watch videos or any other content while charging your smartphone.

No need to remove your case
Charge your phone while protecting it. Charging works through case up to 3mm thick, so there's no need to remove it when you need to charge.

Fast charge
Take advantage of fast charging to get 100% of your battery back in the blink of an eye. With up to 15W of charging power, you'll be able to enjoy an ultra-fast charge when you need it most.

Convenient design
Thanks to its compact design, the stand takes up very little space and you can place it anywhere without being crowded.

Bigben Connected is a French brand whose products are designed and developed in Paris.
French specialist in smartphone accessories for 25 years, our products are tested and certified according to the standards and directives in force on the market.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Thanks to the QR code or link provided in the pack of the purchased product www.bigbenconnected.fr/recyclerie/, download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?
Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use.
