Bluetooth® Speaker Sydney 3W Waterproof Midnight Black Urbanista

Descriptif produit

Get your groove on while at the beach, in the park or in-between festival gigs for up to 5 hours of epic sound with the Sydney speaker.

Comes in four vibrant shades, it features a clean silhouette and smooth texture, punctuated with sleek functions like Bluetooth, volume controls and second speaker pairing. Easy to carry in the hand or slip into your bag, Sydney might be your best travel buddy yet.

At the beach party, or at the music festival in between gigs, with Urbanista Sydney you can make sure the party never dies. Bring it with you wherever you go. Smooth Bluetooth lets you navigate through your music with your mobile phone. It is also water resistant, so you can keep your cool by the poolside.

Urbanista Sydney covers its tech packed inside with a gorgeous minimalistic silhouette. The sleek design with the magic buttons makes it a design statement. Choose your favourite between four epic colours.

Urbanista Sydney is developed in close collaboration with the prominent audio engineer Axel Grell. The result is a crystal clear sound with a deep bass. So even though you can slip it into your pocket, you will still get an impressive quality of sound. A classical masterpiece or a heavy beat? Bring it on!

Even if Urbanista Sydney fits easily into your pocket, it will always deliver a full music experience. So get the party started; with up to 5 hours of uninterrupted playtime, you will definitely be able to deliver the right mood.
