

Bluetooth® Speaker Go 3 Eco 4.2W Waterproof Green JBL

Descriptif produit

The JBL Go 3 Eco sports a bold style, powerful JBL Pro sound and is made from recycled materials.

Original JBL Pro Sound

Despite the ultra-compact size of the Go 3 Eco, Original JBL Pro Sound delivers exceptional power and deep bass.

Recycled, eco-friendly materials and packaging
Innovative new design that's also eco-friendly, with the same JBL Original Pro Sound performance. Made from 90% PCR (post-consumer recycled) plastic with a 100% recycled fabric speaker grille, the JBL Go 3 Eco's design significantly reduces the amount of virgin plastic used, while also lowering the product's overall carbon footprint. It comes in sustainable FSC-certified paper packaging printed with soy-based ink.

Bold style and ultra-portable design

The ultra-portable design of the JBL Go 3 Eco complements even the most modern styles. Its colorful fabric and expressive details give it an unmistakable look.

IP67-rated water and dust resistant design

At the pool. At the park. The JBL Go 3 Eco features an IP67-certified water and dust resistant design, so you can take it anywhere.

Wireless streaming via Bluetooth®

Stream music wirelessly from your phone, tablet, or any Bluetooth®-enabled device.

5 hours of battery life

Recharging your battery? Forget about it! The Go 3 Eco gives you 5 hours of battery life on a single charge.
