

iPhone 13 / 14 Case Hybrid resin Mirror Blue Cocktail - Made in France Bigben

Descriptif produit

The fashion accessory for your smartphone… made in France!

Hybrid shockproof design
This case combines flexible edges and a rigid back to effectively absorb impacts. It offers complete perimeter protection while safeguarding the back of your phone from scratches.

Exclusive resin coating
The back features a self-healing resin that eliminates micro-scratches and ensures a premium finish. This non-slip treatment adds unique depth to the patterns and secures your grip.

Transparency and trendy design
The transparent sides allow your phone's natural style to shine through for absolute discretion. The back is adorned with colorful and modern patterns to transform your device into a true fashion statement.

Ergonomics and full access
The case perfectly fits the volume and side buttons for unaltered touch responsiveness. It provides easy access to all connectors, ensuring seamless use of your smartphone.

Wide Compatibility
Its structure is specially designed to be compatible with 2.5D and 3D screen protectors. You benefit from complete protection without any conflicts between your accessories.

Made in France
This product is designed, manufactured, and packaged in France with meticulous attention to detail. This guarantees a durable accessory that supports local expertise.

• A recycling center with the prepaid return of old products to be recycled to promote the circular economy

Bigben Connected is a French brand whose products are designed and developed in Paris.
French specialist in smartphone accessories for 25 years, our products are tested and certified according to the standards and directives in force on the market.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Thanks to the QR code or link provided in the pack of the purchased product www.bigbenconnected.fr/recyclerie/, download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?
Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use. Find out how the environmental impact of our products is calculated at www.thegreenact.org.
