

SmartphoneMount PopGrip MagSafe Stand and Selfie Transparent Popsockets

Descriptif produit

The useful, customizable and trendy accessory that will allow you to hold your smartphone without the risk of dropping it.

Magsafe compatible
The PopGrip for Magsafe attaches securely to your MagSafe compatible case. It provides maximum grip and convenience, while simply sliding out (when you want it) for MagSafe charging. The PopGrip is easily removed for wireless charging.

Easy to use
Attach it to the back of your smartphone, it stretches whenever you need to hold it or have support for great photos, videos or posts.

A secure grip
The Popgrip Slide ensures a secure grip on your phone. You can write messages with one hand and take selfies without sliding your phone!

Stand function
The Popgrip allows you to watch videos on your smartphone. Thanks to this accessory you will be able to put your phone in video mode, the Pop Grip holds it!

A unique style: yours
The Popgrip is not just another phone grip. You can change your style whenever you want by simply changing the disc on top, the PopTop. The change is very easy. All you have to do is fold the handle, slide it 90 degrees and you're done.

A few tips
Use only with a MagSafe compatible case.
Grip at the case level
Do not wear by the PopTop only
