

USB A Charger Kit 1A + USB A / 30 PIN Cable 1m White Essential

Descriptif produit

Classic and complete charging solution for your mobile devices

Gentle and secure recharging
This wall charger delivers a 1A power output, ideal for a regulated charge that preserves the health of your components. It prevents unnecessary overheating during prolonged use on a wall socket.

Sync cable included
The kit includes a 1-meter cable allowing you to charge and transfer your data to a computer. Its classic white finish integrates discreetly into your home or office environment.
