

iPhone 13 Pro Reinforced Folio Strada Via Black Otterbox

Descriptif produit

Playing the card of very high protection with an important concern for aesthetics, it is suitable for all styles of life, even the most active while remaining classy. Combining the useful with the pleasant, it has card storage spaces inside to make your daily life easier.

Protect your smartphone without sacrificing elegance!
Made from premium quality cowhide leather, it displays a totally elegant look highlighting the beautiful design of your smartphone. With its topstitched finishes, it adopts a bold and sophisticated design to impress more than one, while being ultra-resistant.

A wallet at your fingertips
Keep your essentials close at hand! Take advantage of the 2 storage compartments integrated in the liner of the flap to keep your cards or tickets nearby. In two or three small gestures, access it easily and quickly.

Foolproof protection!
A real protection in any situation, this cover perfectly meets the Otterbox drop test standards. It has a triple layer of protection to ensure maximum safety at all times. In addition, it uses a hard case with a soft outline to hold your smartphone and to ensure excellent shock absorption in the event of a fall. Designed for full protection, its flap folds over the touchscreen to protect it.
