

Play II True Wireless Earphones ANC + ENC In-Ear White + Lifetime Warranty Force Play

Descriptif produit

A quality sound experience with a unique promise: the lifetime warranty that ensures you can replace your earbud in case of loss! Made of recycled plastic

30-hour combined autonomy
The wireless earphones guarantee up to 6 hours of music playback or talk time. The charging case provides an additional 30 hours of autonomy. The box and earphones can be fully charged in just 2 hours using the USB type C cable supplied.

ANC
Active noise reduction technology that filters and attenuates unwanted external sounds. ANC gives you total immersion so you can enjoy your music to the full. It's also ideal for phone calls. By filtering out background noise, you can concentrate fully on your conversation and communicate clearly, even in noisy environments.

ENC
Advanced dual-microphone technology that effectively eliminates distracting background noise, giving you exceptional call quality. It's also ideal for voice recordings or online conferences. You can count on exceptional audio quality, with no distracting background noise.

Touch control
A touch sensor on each earpiece gives you quick and easy one-touch control. Listen to music or answer a call with the touch of a finger.

Voice control
With Siri and Google voice assistants, it's easy to control the device's main functions by voice or launch your favourite playlists.

Quality listening experience
Our headphones deliver a quality listening experience. They produce rich, detailed sound and offer excellent bass and treble reproduction thanks to a wide frequency range (20Hz-20kHz).

Optimum sound quality
Thanks to a moderate impedance of 32Ω, they offer purity of sound and better sound transmission without compromising on battery life.
Whether you're listening to music, TV series or video games, the sound quality is ideal, so you won't experience any hearing fatigue, even during prolonged listening.

Fast connection
Bluetooth 5.3 wireless technology ensures both a stable and fast connection. After a quick set-up, your wireless headphones activate automatically. Remove them from their casing and they immediately connect to your device so you can enjoy high-quality sound.

Dual master: together or alone
Both earphones have a built-in microphone. So you can use the headphones individually (right or left) or both together for stereo sound. So there are no limitations with Twins ANC.

Splash- and perspiration-resistant
Splash-, rain- and perspiration-resistant, our headphones are perfect for an active or sporty lifestyle. They're the perfect companion for work and play, without the fear of water splashes or sweat!

3 sizes of silicone tips included
The three sizes of silicone ear tips are designed to give you a perfect fit for the shape of your ear. Enjoy better sound isolation, exceptional comfort and a secure fit for the ultimate audio experience. Whatever the size of your ears, the earphones are designed to fit you perfectly.

Made from 100% recycled plastic
Our Force Play earphones are eco-designed and made from recycled plastic to reduce environmental impact.

Strap slot
Provides a convenient way to keep your earphones close to hand and avoid losing them. By attaching a wrist strap, you can hang them around your wrist, attach them to your bag or belt, or secure them during sporting activities.

FORCE is a French brand whose products are designed and developed in Paris. French specialist in smartphone solutions for 25 years, our products are tested and certified according to the CE standards and directives in force on the market.
From its delivery, this product benefits from the 2-year legal guarantee of conformity.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Using the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a free return voucher from our site to return your product to us for recycling.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!
The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
