iPhone 14 Pro Screen protector Tempered glass + SmartFrame™ - GRS Certified Bigben

Descriptif produit

The shockproof and eco-designed screen protector that includes an installation guide

Real fuse against the breakage of your screen
High resistance to scratches and shocks thanks to a 9H hardness index of the tempered glass

Optimal comfort of use
Oleophobic anti-fingerprint coating and preserved touch sensitivity for smooth touch navigation.

High definition
An optimal level of optical transmission and a minimal reflection rate allow the quality of the bright image and its colors to be maintained

Anti-explosion coating
Safe glass to prevent shards from scattering in the event of breakage.

This tempered glass is perfectly suited to your device, while leaving enough space to use it with most cases.

SmartFrame™ installation guide integrated into the pack
The guide is an integral part of the packaging and facilitates quick installation.

Eco-designed with 60% recycled glass - GRS certified product
This product is eco-designed and manufactured with 60% recycled material to reduce the environmental impact. The Global Recycled Standard (GRS) label guarantees recycled products with respect to environmental and social criteria (recycled content, chain of custody, social and environmental practices and restrictions on chemical composition, etc.)

Bigben Connected is a French brand whose products are designed and developed in Paris.
French specialist in smartphone accessories for 25 years, our products are tested and certified according to the standards and directives in force on the market.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Thanks to the QR code or link provided in the pack of the purchased product www.bigbenconnected.fr/recyclerie/, download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?
Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use. Find out how the environmental impact of our products is calculated at www.thegreenact.org.
