

iPhone 15 Pro MagSafe Reinforced Case AIR Frost 3m Navy Blue + Lifetime Warranty Force Case

Descriptif produit

MagSafe-compatible High resistance protection with an elegant, non-slip matte coating - Lifetime warranty

Withstands shocks and drops from 3 meters.
Combining finesse and robustness, it was made from choice materials. It is the combination of 2 exclusive technologies that gives it its extreme resistance to daily damage.

Air Cushion Technology
The corners of the case reinforced with air cavities are able to cushion the impact without damaging the mobile.

Tryax 3D Inserts System
This system present on the outline of the case is designed to absorb impacts and disperse the energy of the impact along three axes. Your mobile is thus protected on all sides.

Protective Raised Edges
The edges and contours of the camera are reinforced with liquid silicone for all-around protection. You can thus place your smartphone on the front or back side without risk.

Reinforced magnetic system compatible Magnet & MagSafe
Thanks to the power of its reinforced magnetic system, you can attach your case to all the magnetic accessories of the MagSafe ecosystem: wireless charger, car holder, video stand, etc...

Improved charging efficiency
Optimal magnetic alignment of its reinforced magnets also ensures that charging your smartphone is more efficient and therefore faster.

Matte "Frost" anti-fingerprint and non-slip coating
Its matte finish avoids fingerprints and guarantees excellent grip

Eco-designed with 50% recycled plastic
This product is eco-designed and manufactured with 50% recycled material to reduce environmental impact.

Universal hook for shoulder strap included
Accessorize your smartphone slung over your shoulder to carry it easily and enhance your style. Simply slide the universal fastening system between your case and your mobile, and hang your shoulder strap on it.

How does the Recyclerie work?

You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Using the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a free return voucher from our site to return your product to us for recycling.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!
The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
