

iPhone 15 MagSafe Reinforced Case Sling 3m Transparent Black Outline - GRS Certified Itskins

Descriptif produit

The thin, durable case that offers a classic, sleek look

Drop-resistant up to 3 metres
Designed to offer exceptional protection against falls, shielding your device from accidental impacts.

100% recycled materials
Made from 100% recycled materials, helping to reduce the environmental footprint and preserve our planet for future generations.

HEXOTEK™ technology
Equipped with HEXOTEK™ technology, which offers extra protection against impact. This technology uses a unique hexagonal arrangement to absorb and dissipate impact energy, offering increased resistance against drop damage.

Camera and screen protection
Designed to protect both the camera and the screen of your device. Raised edges ensure that the screen and camera do not touch the surface when you lay your device flat, protecting them from scratches and potential damage.

Antimicrobial technology
The shell has built-in anti-microbial technology to help prevent the growth of bacteria and germs on the surface of your device.

Magnet 2x more powerful
Equipped with a 2x stronger magnet, ensuring a secure connection with MagSafe compatible accessories. You can easily attach and detach MagSafe accessories, such as wireless chargers and card holders.

MagSafe compatible
Fully compatible with MagSafe technology, allowing you to take full advantage of MagSafe features and accessories for your device.
