Bluetooth® Speaker Karaoke Party HP S 30W Luminous with Wired micro Black Party

Descriptif produit

Ideal for impromptu 'karoke' evenings with friends.

Pack including :

1 wired microphone:
Whether used with Bigben Party speakers or any product with a 6.3mm microphone input, this wired microphone with a 4 metre cable is ideal for your Karaoke evenings! It is compatible with many DVD players, KTV audio systems, amplifiers, microsystems, multimedia towers and speakers. The body of the microphone is a standard size and fits onto a standard microphone stand. Ideal for creating the best atmosphere at karaoke nights, DJ sets, weddings, business meetings, public speaking, classroom activities, outdoor shows or on stage.

1 bright bluetooth speaker:
Compact, lightweight but powerful! With its luminous effects, this Bluetooth speaker is ideal for improvised "karoke" evenings with friends.
