Descriptif produit

With the RIG 600 PROHS discover sound of unparalleled quality on PlayStation™, PC or Nintendo Switch™.

Enjoy high-precision sound on PlayStation, PC, Nintendo Switch and mobile phones with the RIG 600 PRO HS. Connect to your games console and mobile devices and control the audio with dual-connectivity wireless technology: 2.4 GHz radio frequency with the USB-C wireless adapter and Bluetooth 5.1. High-sensitivity 40 mm drivers backed up by powerful bass deliver balanced, distortion-free audio, even at high volume levels.

The ultra-light wireless headset (240 g) offers absolute comfort during long gaming sessions and a battery life of 24 hours on Bluetooth and up to 18 hours with the USB-C (wireless) adapter. Enjoy maximum comfort thanks to the sound-isolating earphones and the flexible, virtually indestructible headband.

The 600 PRO has an omnidirectional microphone to ensure that your voice is clear in any situation, thanks to noise-cancelling technology. The camouflage microphone automatically switches to mute mode when folded.

Download the 600 PRO Navigator application to take advantage of advanced features, including presets for sound settings, microphone levels and much more.

Dual connectivity wireless technology adds Bluetooth 5.1 connectivity.

Incomparable audio quality thanks to 40 mm drivers backed up by powerful bass.

Finely tuned acoustic chambers for well-balanced sound.

Designed to reduce hearing fatigue.

The microphone is discreetly concealed in the earpiece when you're on the move.

Long-lasting comfort thanks to earpieces lined with breathable fabric.

A virtually indestructible headband.

The 600 PRO Navigator application for optimum customisation.

Compatible with Nintendo Switch, Steam Deck, PlayStation, PC and mobile devices.

Up to 24 hours of Bluetooth autonomy, up to 18 hours of autonomy with the USB-C adapter (wireless).
