

Vibe Buds True Wireless Earphones Waterproof Semi In-ear Black JBL

Descriptif produit

JBL Deep Bass sound Get the most out of your mixes with high-quality sound from secure, reliable earphones with 8mm drivers from JBL Sound Deep. Comfortable fit The JBL Vibe Buds' ergonomic in-ear design fits so comfortably, you can forget you're wearing them. It discreetly covers your ears by blocking out external noise and enhancing bass performance. Up to 32 hours (8 h + 24 h) of total battery life with fast recharging fast charging With 8 hours of battery life in the earphones and 24 in the case, JBL Vibe Buds deliver sound all day long. And when you need a little more power, you can quickly charge for another two hours in just 10 minutes. Stay aware of your surroundings Go anywhere and hear everything with Smart Ambient technology. When need to pause for a quick chat, TalkThru lets you hear yourself and others instantly hear you and those around you without removing your earphones. You can also use Ambient Aware to keep the music playing while you remain aware of your surroundings. Hands-free calling with VoiceAware When making hands-free stereo calls on the move, VoiceAware lets you balance the volume of your voice when you're talking to other people.
