Descriptif produit

A convenient wireless powerbank with magnetic attachment!

Wireless Charging
No more cables! Simply attach your smartphone to the magnetic base of your power bank to instantly charge it without cables.

MagSafe/Magnet Compatible
For faster charging of your phone, this wireless charger is compatible with MagSafe technology and other magnetic systems. Thanks to its enhanced magnetic power, it guarantees precise alignment and a secure attachment while optimizing charging efficiency.

Improved Compactness
Its design is 30% smaller than other power banks of the same capacity. The power bank is ultra-light and easily portable; throw it in your bag and take it anywhere.

LED Indicators
Indicate that the phone is correctly positioned and the battery level.

Charge in an Instant
Take advantage of fast charging to restore 100% of your battery in the blink of an eye. With charging up to 15W, you can enjoy ultra-fast charging when you need it most.

USB-C charging port
Featuring an USB-C connection, it allows you to quickly charge all your devices using a single cable.

One wireless charger for a multitude of devices
Supports Qi-certified devices. This allows you to charge a wide range of devices with the same charger, including smartphones that are not MagSafe compatible.

Magnetic ring included
To make phones not equipped with MagSafe® technology compatible.

No need to remove your case
Charge your phone while protecting it. Charging works through cases up to 3mm thick, so there's no need to remove it when you need to charge.

FORCE is a French brand whose products are designed and developed in Paris. French specialist in smartphone solutions for 25 years, our products are tested and certified according to the CE standards and directives in force on the market.
From its delivery, this product benefits from the 2-year legal guarantee of conformity.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Using the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a free return voucher from our site to return your product to us for recycling.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!
The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
