

USB C / X-Link Cable 3A 1m Power Delivery Black Crosscall

Descriptif produit

Connect to simplicity

Crosscall extends your X-LINKTM* experience with the X-CABLE USB-C. Its magnetic system makes charging and transferring easier and more instinctive than ever. More efficient than inductive charging, the X-LINKTM* magnetic connector allows 98% of the charge to be transferred. No more wasting time opening a sealing plug or searching for the USB port in the dark. With X-CABLE USB-C, you're already connected.

Quick Charge 3.0: fully charged
There's no time to lose. Compatible with Q.C 3.0 fast charging, this cable lets you quickly charge your smartphone with up to 3A of power. Now you can get back to work!

X-Link TM: make the connection
Make it easy for yourself. In a single movement, connect your X-CABLE USB-C to your smartphone using its magnetic head. A notification appears instantly on your screen. Now you're free to manage the transfer of your files and photos.

Data transfer: always ready to transfer!
With the X-CABLE USB-C, you can transfer, copy or even read your files from your computer to your smartphone and vice versa, as easily and intuitively as ever!

Compatibility
This accessory is compatible with all CROSSCALL mobiles, smartphones and tablets equipped with X-LINK TM technology.

X-LINK TM: the endearing technology.
Attach: magnetic attachment and easy portrait/landscape orientation
Charge : Fast, efficient charging. 98% power transmission
Transfer : Simple to use. No need for cables! Simply attach, charge and transfer data.
