

MagSafe Wireless Powerbank 5000mAh 2 USB A+C ports 15W Qi / Smart Watch Charging Black Rivacase

Descriptif produit

Charge up to 3 devices simultaneously

5000 mAh capacity
Allows you to charge your mobile devices efficiently while on the move

Wireless charging up to 15W
Charge your devices wirelessly with up to 15W of power, for a fast and convenient charging experience.

iWatch wireless charging
This battery is also compatible with wireless charging for the Watch (iWatch), providing a complete charging solution for your devices.

Magsafe magnetic alignment
Designed to be fully compatible with the latest iPhone models (iPhone 12 and above), Magsafe alignment ensures seamless and stable charging.

Maximum power output of 22.5W
Allows you to charge your devices quickly, with a maximum output of 22.5W for ultrafast charging.

2 integrated cables
Included with the battery are two handy cables for charging your devices via USB-C and Lightning, adding convenience to your charging experience.

20W charging mode
Offers a fast charging mode for compatible devices, ensuring optimal and fast charging.

LED indicator
The LED indicator tells you how much charge is left, so you know when it's time to recharge.

Safety protection
Includes protection against overcharging, excessive discharge, overloading and short circuits, ensuring greater safety for you and your devices.

Automatic on/off
The battery switches on and off automatically when a device is connected or disconnected, making it easy to use.

Integrated stand
A handy stand is included to hold your iPhone or other device in position during wireless charging, ideal for watching videos or using your phone while it's charging.

Charge sans fil MagSafe - Port(s) : **2 ports USB A+C**
