

SmartphoneMount Suprem 6400 Electric Scooter Stand and Selfie Ring Magnetic Lavender Bigben

Descriptif produit

Enjoy hands-free use of your device with the MagSafe suction mount.

Secure Hold
This mount keeps your phone securely in place with its silicone rubber suction cups that provide a strong grip. It ensures that your phone stays firmly attached and won't fall off, even after extended use.

Convenient Mounting
It easily adheres to smooth surfaces such as glass, mirrors, or car dashboards. This allows you to place your device wherever you want.

Hands-Free Use
Perfect for hands-free use: watch videos or your favorite series while cooking, getting ready, or even taking selfies.

Powerful Suction Grip
With its strong suction cups and solid adhesive, this mount securely holds your phone, power bank, or external hard drive on glass or metal surfaces.

MagSafe Compatibility
The suction mount is specially designed to be compatible with MagSafe technology, ensuring perfect alignment and quick attachment for your phone. Thanks to this feature, you can easily attach and detach your phone from the mount without leaving any sticky residue.

Wide Compatibility
This suction phone mount is compatible with all phones and phone cases that feature MagSafe technology.

Bigben Connected is a French brand whose products are designed and developed in Paris.
French specialist in smartphone accessories for 25 years, our products are tested and certified according to the standards and directives in force on the market.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Thanks to the QR code or link provided in the pack of the purchased product www.bigbenconnected.fr/recyclerie/, download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?
Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use. Find out how the environmental impact of our products is calculated at www.thegreenact.org.
