Bluetooth® Speaker 30W Luminous Blue / Orange Party

Descriptif produit

Enjoy your favorite tunes in a colorful ambience

Powerful & Performing
Enjoy an immersive sound and visual experience with our bright Bluetooth speaker. With a total music output of 30W, this speaker offers clear, powerful sound for listening to music at home, outdoors or at your events, ideal for all occasions

Multiple listening options
For added flexibility, this speaker features a 3.5mm AUX-IN input, a USB port and a Micro SD reader. So you can connect different devices, whether via jack, USB stick or SD card, to play your favorite music without constraint.

Colorful ambience
Create a festive atmosphere with the speaker's integrated lighting effects, which adapt to the rhythm of your tunes. These LED lights create a colorful, festive atmosphere, perfect for lively parties or to bring a relaxing ambience to any room.

Charging via USB-C
Easily recharge the speaker via the included USB-C port and cable. This modern, convenient charging method ensures that your speaker is always ready for use.
