

Descriptif produit

To make your domestic appliances smarter, more energy-efficient and safer.

Matter compatible for an even more connected home
The CE2P socket now supports the Matter protocol, for expanded compatibility with modern home automation ecosystems.

Voice control with Alexa and Google Home
Control your devices with your voice using Alexa and Google Home. Comfort and convenience every day.

Remote control via smartphone
Control your devices wherever you are, for greater security and energy savings.

Energy consumption monitoring
Track your devices' consumption in real time to optimise your spending.

Group control
Create smart scenarios with other connected objects such as cameras or light bulbs.

Scheduling and timer
Plan when to turn devices on and off according to your habits for greater comfort and efficiency.

Easy installation, discreet design
Compact and elegant design, fits easily into any interior, regardless of the angle.

Fire-resistant material for greater safety
The plug is designed with heat-resistant materials to limit the risks associated with high temperatures.

Technical characteristics

Dimensions(H x W x D): 85*55*55mm
Buttons: Power Button Status LED
Materia: PC
Detection range: 8m
Rater Life: >10000h
Switching Cycle: >10000 times
Operation temps : -15°C +35°C
Operating Humidity: 10%–90%RH, Non-condensing
Protocol: IEEE 802.11b/g/n, Bluetooth 5.0, Matter
Wireless Type: 2.4 GHz
Communication Distance: 70m
System Requirements: Android 4.4 or higher, iOS 9.0 or higher
Power Supply: AC 220~240V, 50/60Hz
Max Load: EU 3680w 16A
Standby Power Consumption: 0.7w

Compatible mobiles

Compatibilité

Compatible avec : IPHONE 3G .

Compatible WiFi

Color : White

Ref : IMOUPRISECE2PWH

EAN : 6976391034709

Pack contents : Smart socket Smart Plug
Matter CE2P 16A + User
