

Wireless travel charger 5W+15W Qi 2 zones foldable Smartphone + Apple Watch MFI + USB C/C Charging Cable Gray Xtorm

Descriptif produit

Unfold this Wireless 2in1 Travel Charger and charge your iPhone and iWatch simultaneously! UNFOLD, RELOAD and RELAX while charging at home, at the office or during an overnight trip.

Unfold. Reload. Relax.
Discover the convenience of a 2-in-1 foldable charger for your everyday Apple devices.

Unfold.
This gorgeous 3in1 Foldable Travel Charger is all you need to charge your iPhone, Apple Watch and AirPods simultaneously, with just one device!

Reload.
You need only one outlet to charge three devices at the same time. Magnetic, wireless charging is possible for all smartphones that are MagSafe or Qi-compatible. The charging surface for the watch is especially designed for the Apple Watch and MFi-certified. This charging spot does not support charging of other watches.

Relax.
The warm, grey colour of the 2in1 Travel Charger enhances the calming vibe, giving you the time to reload and relax while your devices are being re-energised.
You can start charging immediately by using the included USB-C cable. Simply unfold the charger, plug the cable in the nearest adapter, place your iPhone and Watch on the charging pad and relax while your devices are being reloaded.

Fold. Pack. Go.
Thanks to the compact and slim design, you can take this 2in1 Travel Charger easily with you, wherever you go. The design ensures a perfect fit for your pocket or bag. Folded, the Charging Station barely takes up any space, making it easy to carry with you and place it on your nightstand, at home or in a hotel room.
When the devices are charged again, you simply fold up the charging station. Thanks to the magnetic closure, you get a compact and handy package. The powerful yet lightweight magnet, keeps the Travel Charger folded up and protects the charging surfaces when not in use.

Sustainableand relaxed choice
The 2in1 Travel Charger is mostly made from recycled materials with the GRS-certificate. Ensuring the use of recycled plastics and reducing the production of new plastics. Giving you that much needed peace of mind to help you reload and relax.
Packed with the latest technology, this Charger is also the durable choice. One compact Travel Charger to give #MoreEnergy to your Apple devices for years to come.

Sustainableand relaxed choice
The charging surface for the watch is especially designed for the Apple Watch and MFi-certified.

The charging surface for smartphones is universal. Magnetic, wireless charging is possible for all smartphones that are MagSafe or Qi-compatible.

Safe andefficient charging
All Xtorm products comply with the highest quality and safety standards. Both your connected devices as well as the 2in1 Travel Charger are protected against any mishaps. Built-in mechanisms protect for example against short circuiting, overloading and overheating.
