

Smart Camera Cruiser Dual 2 Double Lens 2x 10MP 3K Panoramic and Reclining Outdoor White IMOU

Descriptif produit

Protect your space intelligently

Securing 2 zones at once

The Cruiser Dual 2 comes with a fixed lens on top in addition to the normal PTZ lens, allowing you to monitor two areas at a time.

Stronger deterrent for intruders

Cruiser Dual 2 is equipped with warning lights that emit red and blue light, which will protect your home from intruders by being more of a deterrent when an intruder is detected than a regular white light warning.

Multiple lens combinations for all your needs

Cruiser Dual 2 offers 5+5MP lens combination options, so you can choose the most suitable and cost-effective combination for your security needs.

Light the night up with smartness

Cruiser Dual 2 can adjust different night vision modes according to your needs, whether you want the night vision to remain in full color all the time or want to turn on full color only when there is an event to save energy, it can always satisfy you.

The adjustable dual-lens give you 360° protection

The Cruiser Dual 2's pan-tilt lens supports 0°-355° horizontal rotation and 0°-90° vertical rotation, while the fixed lens supports 0°-260° horizontal rotation and 0°-30° vertical rotation to protect your home 360°.

Dual-channel detection powered by IMOU SENSE®

IMOU SENSE® is a self-developed AI algorithm under the IMOU brand. each of the two lenses of the Cruiser Dual 2 uses its own algorithm, which doesn't degrade the accuracy due to an increase in the number of lenses, giving it a 50% increase in overall accuracy and delivering the detection results back to you within 0.02 seconds.

Accurate human and vehicle detection

Powered by IMOU SENSE®, the newly upgraded AI human and vehicle detection can effectively reduce false alarms caused by mosquitoes and tree shaking. The effective detection range can reach 22 meters for persons and 44 meters¹ for cars, respectively ensuring that detection is truly "accurate".

Professional protection to weather any storm

Cruiser Dual 2 is able to against dust penetration and can easily handle rain and wind, keeping you safe around the clock.

More stable connections with Wi-Fi 6

Cruiser Dual 2 supports the latest Wi-Fi 6 standard, which can significantly increase transmission rates and make data transfer more stable and secure.

Deter unwelcome visitors

Cruiser dual 2 keeps an eye on your house, when someone breaks in, the 100dB siren will turn on to deter the unwelcom visitor.

Connect your home from anywhere

Built-in speaker and microphone with echo cancellation feature allow you to interact with pets and family from anywhere.

Imou Protect - Level up your security

Imou Protect is a subscription service that is able to empower your IMOU products with advanced cloud computing technology and upgrade your security experiences.
