iPhone 17 Folio Lynge ICON Video Stand function Midnight DBramante1928

Descriptif produit

Lynge, the ICON impact protective 2-in-1 wallet case

2-in-1 wallet case
Its detachable shell, equipped with a magnetic system, fits perfectly into the folio section for flexible everyday use.

ICON material: durable, responsible, and high-end
Made from innovative ICON material, derived from recycled content, this case offers a soft finish, increased scratch resistance, and exceptional durability. It combines sleek aesthetics, comfort in the hand, and environmental commitment.

Wallet with card and bill slots
Keep your essentials close at hand with built-in storage spaces in the inner lining for credit cards, documents, or cash.

Built-in video stand function
The foldable back allows you to position your phone horizontally, ideal for hands-free video viewing.

MagSafe compatible
The case supports MagSafe wireless charging for quick and easy everyday use.
