Descriptif produit

With ICON, choose a case that combines premium design, extreme durability, and a commitment to sustainability.

ICON material: excellence, durability, and commitment
Made from ICON material, this case combines superior strength, a premium feel, and reduced environmental impact. It retains its elegance over time while providing reliable protection for everyday use.

Controlled and ethical manufacturing
The selection of the best materials, control over all production processes, and compliance with industry standards make all the difference. Dbramante1928 combines remarkable designs with exceptional values.

Enhanced protection against everyday hazards
Scratch- and stain-resistant, ICON material offers durable and effective protection against everyday impacts.

Impact-resistant, tested for drops of up to 1.2 meters
Designed to absorb impacts, this case effectively protects your phone from accidental drops.

Full access to features
Allows free access to all mobile features and connectors.

Compatible with wireless charging
No hassle when charging your device with a wireless charger.
