MagSafe Selfie LED Lighting for Smartphones Black Bigben

Descriptif produit

This magnetic ring light is the perfect accessory for all your selfies. It provides all the brightness you need for your photos and videos.

Sharper photos and videos, even in low light
To adapt to your needs, this ring light has been designed with 3 brightness levels to provide you with the right lighting for each of your videos or photos.

36 LED Ring Light
The ring-shaped construction allows for even light diffusion, avoiding contrast differences and thus leaving no visible shadows in the shot. Thanks to its LEDs, it will diffuse powerful light in any setting.

Practical Magnetic Mount
Thanks to its MagSafe and Magnet compatibility, this LED light attaches quickly to the back of your smartphone using a magnetic mounting system. Its magnetic system allows you to remove or reposition it as needed.

Easy to Use
Simply attach the LED ring to your smartphone and press the power button to activate the lighting.

Lightweight and Compact
No need to carry around anything! This LED selfie ring is designed in a compact size, making it easy to carry around for your selfies and videos.

Compatible with all smartphones equipped with a magnetic attachment system.

The LED selfie ring is self-powered thanks to its built-in battery, rechargeable via the included USB-C cable.
