

Ecran Pixel LED 32*32 personnalisable iOS & Android Black Bigben

Descriptif produit

Express your creativity pixel by pixel, with a screen that adapts to your imagination!

Custom Designs

With the intuitive and user-friendly tools built into the app, you can easily create your own pixelated images and animations. Unleash your creativity by drawing by hand or importing your favorite models, and bring your visual ideas to life with ease.

Light Show Synced to Music

Immerse yourself in a stunning experience with spectacular light shows perfectly synchronized to music. The lighting effects respond to sound vibrations and rhythms, creating a captivating visual atmosphere that turns every moment into a real spectacle.

Animated Images

Create unique and dynamic pixel art animations. This feature allows you to add movement to your drawings, producing original, playful, and fully personalized visual effects. It's perfect for expressing your style or interactively decorating a space.

Text Editor

Customize your messages by adding colors, varied fonts, and animation effects. This simple yet powerful editor lets you display attractive text to convey information, a mood, or a playful note while decorating your screen.

Clock, Alarm, and Reminders Features

Organize your daily life with style! Set alarms, schedule reminders, and display the time with original designs. These practical features are accompanied by fun visuals and customizable light or sound alerts to pleasantly pace your days.

User-Friendly

The app is designed for all users, including beginners. It offers a quick and intuitive start-up, allowing you to explore, create, program, and share your digital works effortlessly, directly from your smartphone or tablet.

Elegant and Discreet Decoration

More than just a screen, this device is a true decorative piece. Its modern and sleek design easily fits into any interior style, adding an artistic and technological touch to your living space while remaining discreet and refined.

- A recycling center with the prepaid return of old products to be recycled to promote the circular economy

Bigben Connected is a French brand whose products are designed and developed in Paris.

French specialist in smartphone accessories for 25 years, our products are tested and certified according to the standards and directives in force on the market.

How does the Recyclerie work?

You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?

Thanks to the QR code or link provided in the pack of the purchased product www.bigbenconnected.fr/recyclerie/, download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?

Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?

Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use. Find out how the environmental impact of our products is calculated at www.thegreenact.org.
