Descriptif produit

The essential accessory for those looking for a practical, elegant and secure solution for carrying their cards on a daily basis

Elegant and Practical Design
The DBRAMANTE MagSafe ICON Card Holder combines refined aesthetics with functionality. Crafted from high-quality materials, this card holder boasts a sleek, contemporary finish, perfect for those seeking elegance and simplicity. Its slim profile and sleek look make it a discreet accessory ideal for everyday use while enhancing your device.

Built-in MagSafe Technology
Thanks to MagSafe technology, the ICON Card Holder attaches easily and securely to the back of your iPhone. The magnetic force ensures a secure fit, while allowing for quick and easy use. You can remove and replace the card holder effortlessly, without compromising the security of your cards.

Convenient Storage Capacity
The MagSafe ICON Card Holder allows you to carry your essential cards, such as credit cards, ID cards, or transit tickets, in a simple and compact way. It can hold up to 3 cards, offering a practical solution for those who want to avoid cluttering their pockets or bags. Its slim design keeps your iPhone lightweight and easy to hold while remaining functional.

Protection and security for your cards
This card holder is designed to maximize the protection of your cards thanks to its soft interior that prevents scratches. In addition, the ICON card holder's construction is durable and shock-resistant, providing additional protection against accidental impacts. Your cards remain protected from damage while remaining easily accessible.

Compatibility and ease of use
The ICON MagSafe card holder is compatible with all models that support MagSafe technology. Installation is simple: simply place it on the back of your phone and it will stay securely attached. Whether for everyday use or special occasions, this accessory offers an uncompromising blend of practicality and technology.

Eco-responsibility and sustainability
DBRAMANTE places great emphasis on sustainability and environmental responsibility. The ICON card holder is made with durable and environmentally friendly materials, allowing you to enjoy a high-quality product while helping to preserve the environment. This product is designed to last and withstand frequent use, minimizing the need for replacement.
