

Bluetooth® Party Speaker Encore 2 100W Waterproof with carrying handle and wireless microphone Black JBL

Descriptif produit

Be the star of your next party

Turn on the JBL PartyBox Encore 2 and liven up the party. With this portable speaker, you'll want to DJ every event, thanks to smooth JBL Pro sound, a lighting scheme that matches the mood, and a microphone for your enjoyment.

Feel that extra energy in your chest, the crystal-clear highs, and deep lows, whether you're listening to a new pop ballad or a classic romantic song.

Once the sound check is complete, it's time to set the mood with a lighting scheme that adapts to your beats.

Ready to get the show started? Grab the digital wireless microphone and become your own host or karaoke host!

You can also customize your sound with echo, bass, and treble controls to ensure your sound is just right.

From open rooftops to crowded basements, the JBL PartyBox Encore 2 adapts perfectly thanks to its ergonomic handle and IPX4 splash-resistant design.

What's better than one JBL PartyBox Encore 2? Two! Pair it with another PartyBox Encore 2 for a true stereo experience, or pair it with other JBL Auracast™-enabled speakers for an even wilder dance party.

And if 15 hours of continuous music isn't enough, grab a spare rechargeable battery to keep the party going.

Make the party perfect with the JBL PartyBox app, where you can control your playlist, add fun sound effects, and choose the perfect lighting mood—all while you rock out on the dance floor.

Whatever the occasion, the JBL PartyBox Encore 2 can bring all kinds of excitement.
