

Smart Watch ICE SMART 2.0 Rectangular Silicone Strap Black Ice Watch

Descriptif produit

ICE smart 2.0: the power of a large AMOLED screen and advanced features for a high-performance connected experience

A trendy design by Ice-Watch
The ICE smart 2.0 Rectangular combines contemporary style with the brand's iconic DNA. With its black case and bold rectangular shape, it is the must-have connected accessory of the season.

An impressive AMOLED screen
Its large 1.96" AMOLED screen (410x502 px) offers remarkable display quality. Bright, smooth and perfectly legible, it enhances every interaction on your wrist.

Watch faces that suit you
Express your style with a wide selection of colourful, dynamic or minimalist watch faces. A simple gesture is all it takes to switch from a sporty look to a more classic style.

A smartwatch for everyday use
Bluetooth calls, notifications, music control, weather, games, alarm... the ICE smart 2.0 efficiently accompanies you in all your routines, smoothly and discreetly.

Health & wellness on your wrist
Heart rate, sleep, blood oxygen, blood pressure, as well as hydration and movement reminders: a real health coach integrated into your style.

Multisport, just like you
Yoga, boxing, tennis, running, cycling, skiing... Track your sports performance accurately with the many built-in training modes.

Autonomy, comfort and compatibility
With a battery life of 3 to 5 days, a soft silicone strap, easy magnetic cable charging and iOS & Android compatibility, the ICE smart 2.0 adapts to all your requirements.
