

Smart Watch ICE SMART Junior 3.0 Rectangular Silicone Strap Blue Ice Watch

Descriptif produit

The fun and smart watch that accompanies children every day

The smartwatch for stylish kids
With the ICE smart junior 3.0, children aged 6 to 10 can wear a watch that's just as trendy as their parents'. A modern design and bright AMOLED screen to accompany young children on all their adventures.

A high-performance AMOLED screen
Its 1.75" AMOLED screen (390x450 pixels) offers excellent brightness and a clear display, perfect for little hands and for personalising the watch with a variety of colourful dials to suit their tastes.

Suitable connected features
Receive text messages and notifications (via smartphone connection), access the pedometer, weather, calculator, games and much more. Everything is designed to make everyday life fun and practical for children.

Secure parental controls
Parents can easily manage settings with parental controls to set appropriate rules and protect their children's digital experience.

Health and activity tracking
The ICE smart junior 3.0 tracks sleep, heart rate, blood oxygen and blood pressure. It also offers several sports modes (walking, running, cycling, football, etc.) to encourage physical activity.

Long battery life
With a 300mAh battery, it offers 5 to 7 days of battery life, so it can accompany children throughout the week without interruption.
