Descriptif produit

A fun watch for children, easy to locate with Find My

A world first from Ice-Watch
The ICE smart junior 3.0 Find My is the first smartwatch for children to feature Apple's Find My technology. A technological gem designed for 6-10 year olds, it reassures parents while entertaining children.

Geolocatable with Apple Find My
Thanks to the native integration of the Find My system, parents can easily locate the watch if it is lost or forgotten from their iPhone. Added security for a precious everyday item.

A smartwatch designed for children
With its colourful and modern design, the ICE smart junior 3.0 Find My offers many fun and practical features: notifications, games, music, alarm, calculator, pedometer... everything to please the little ones!

Gentle health monitoring
The watch has adapted health features: sleep tracking, heart rate measurement, blood oxygen and blood pressure measurement.

Move and have fun in complete freedom
With its built-in sports modes (running, cycling, football, tennis, etc.), it supports children in their physical activities while teaching them to enjoy being active.

Connected, but under control
Compatible with the ICE JUNIOR app, the watch can be connected to an iOS or Android smartphone, and parents can control its use thanks to simple, tailored settings.
