

Smart Watch ICE SMART Junior RD 3.0 Amoled Round Silicone Strap Silicone with Ring Ice Watch

Descriptif produit

Give your child the technological excellence of a vibrant AMOLED display paired with fun and secure tracking.

High-definition AMOLED display
This new generation smartwatch features a stunning circular AMOLED screen delivering incredibly vivid colors and striking contrast. Even in bright sunlight, the display remains perfectly readable for your child's ultimate visual comfort.

Modern round ergonomic design
Its round case with perfectly studied dimensions fits younger wrists with elegance and comfort. The touch interface is extremely fluid and highly responsive, making daily navigation pleasant, intuitive, and instantaneous.

Fun activity and wellness tracking
The ideal companion for encouraging a healthy and active lifestyle, the device incorporates health tracking sensors tailored for children. It accurately counts daily steps and offers engaging sports modes to stay active while having fun.

Advanced entertainment and customization
Thanks to the AMOLED technology, the wide selection of interchangeable watch faces comes to life with striking realism to express unique styles. The watch also includes practical features, alarms, and stimulating educational games.

Everyday comfort and durability
Engineered to withstand children's boundless energy, the robust case is paired with an ultra-flexible silicone strap. This premium-grade material delivers exceptional lightweight feel and optimal wearing comfort all day long.
