

iPhone 18 Pro / 17 Pro MagSafe Reinforced Case METAL 2m Transparent Orange Metal Contour + Lifetime Warranty Force Case

Descriptif produit

High-strength protection with reinforced metal edges, Magnet & MagSafe compatible, which enhances your mobile while guaranteeing its security - Lifetime warranty

Resists impacts and drops from 2 meters.
Combining slimness and robustness, it is crafted from select materials. Its combination of exclusive technologies gives it its extreme resistance to everyday damage.

Reinforced and raised protective edges
The ultra-resistant metal frame is designed to absorb impacts and disperse shock energy. Your phone is thus perfectly protected on all sides. The edges and camera contours are reinforced with liquid silicone for full protection. You can therefore place your smartphone face down or back without risk.

A refined design for a modern style
Add a touch of elegance to your device with a premium finish. The frame and buttons are made of brushed stainless steel, offering a sleek look and excellent wear resistance. The transparent back lets the elegance of your phone shine through while effectively protecting it from scratches and abrasions.

Magnet-compatible reinforced magnetic system
Thanks to the power of its reinforced magnetic system, you can attach your case to all magnetic accessories in the Magnet ecosystem: wireless chargers, car mounts, video stands, etc.

Improved charging efficiency
The optimal magnetic alignment of its reinforced magnets also ensures that your iPhone charges more efficiently and therefore faster.

Force Glass compatible

Lifetime warranty
Receive a new case if it's damaged.

From its delivery, this product benefits from the 2-year legal guarantee of conformity.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Using the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a free return voucher from our site to return your product to us for recycling.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!
The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
