Smart Watch ICE SMART TK 2.0 Rectangular Leather Strap Black Grain Gold Ice Watch

Descriptif produit

Combine watchmaking elegance and modern technology with a refined smartwatch tailored to your daily life.

High-definition touchscreen
This smartwatch features a stunning rectangular display delivering exceptional visual clarity and fluid touch responsiveness. Its modern and intuitive interface allows you to easily navigate through all your notifications and apps with a simple swipe.

Refinement of the leather strap
Crafted for lovers of elegant horology, this device is paired with a high-quality genuine leather strap. This choice of noble material brings a chic and timeless style that adapts perfectly to all your outfits, from casual to formal.

Complete health and wellness tracking
As a true personal assistant, it incorporates advanced sensors to continuously monitor your essential health indicators. From heart rate tracking to sleep quality analysis, it helps you take care of yourself day after day.

Intelligent sports partner
Optimize your workouts thanks to multiple integrated sports modes that accurately measure your physical performance. It counts your steps, burned calories, and distances traveled to encourage you to achieve all your fitness goals.

Seamless connectivity and battery life
Stay connected to your inner circle without pulling out your smartphone thanks to Bluetooth calling and direct message reception on your wrist. Its high-performance battery ensures durable autonomy to support you reliably throughout the week.
