

Smart Watch ICE SMART Junior RD 3.0 Find My Round Silicone Strap Blue Ice Watch

Descriptif produit

Give your child a fun, and highly secure smartwatch to explore the world with confidence.

Modern round ergonomic design
This new generation smartwatch features a beautiful circular display perfectly tailored for children's wrists. Its fluid and colorful touch interface makes navigation intuitive and fun for effortless everyday use.

Integrated Find My tracking
Incorporating advanced tracking technology, this watch allows you to easily locate the device right from your smartphone. This essential feature offers maximum peace of mind to parents while letting children safely explore.

Fun activity and wellness tracking
The ideal companion for a dynamic lifestyle, it includes health tracking features specially adapted for youth. It counts daily steps and offers engaging sports modes to encourage your child to stay active every day.

Advanced entertainment and customization
The watch offers a wide selection of interchangeable watch faces so your child can express their own unique style. It also features practical tools and educational games to stimulate creativity during downtime.

Everyday comfort and durability
Engineered to withstand children's boundless energy, the robust case is paired with an ultra-flexible silicone strap. This high-quality material delivers exceptional wearing comfort all day long while resisting daily splashes.
