

SmartphoneMount PopGrip Premium MagSafe Stand and Selfie Iridescent Blush Pink Popsockets

Descriptif produit

The useful, customizable, and stylish accessory designed to help you hold your smartphone without the risk of dropping it

Ultra-convenient MagSafe compatibility
The MagSafe PopGrip securely attaches to your MagSafe compatible case in seconds. It provides maximum grip and everyday convenience, while removing easily whenever you want to use wireless charging.

Secure grip and selfie functionality
Ensure a firm and safe hold on your phone so you can text with one hand without risking accidental drops. Expand the grip to snap steady selfies and record your best photos and videos effortlessly.

Hands-free video stand mode
Tilt your smartphone into landscape orientation to comfortably watch your favorite content anytime. The PopGrip serves as a stable kickstand that holds your phone securely in place on flat surfaces.

Simple and ergonomic design
Attach the grip to the back of your device and expand it whenever you need extra control. Its collapsible mechanism delivers ideal user comfort for browsing, content creation, and social posting.

Usage tips and safety recommendations
For optimal performance, use this accessory exclusively with a MagSafe compatible case. Always hold your device by the case itself rather than carrying it solely by the expanded PopOut grip.
