

Smart Camera Rex 3D 5MP 3K Indoor & Outdoor Black IMOU

Descriptif produit

Elegant Black Design Combined with 3K Power

Ultra-detailed 3K resolution

The high-performance 5MP sensor captures images in 2688 x 1664 pixel resolution for unmatched precision. Every area of your interior is monitored with exceptional clarity, perfect for identifying faces.

Premium and discreet design

Its black spherical aesthetic fits perfectly into modern and refined interiors. It is an elegant technological object that ensures your security without detracting from your decor.

IMOU SENSE AI technology

Integrated cutting-edge technology accurately identifies humans and pets to filter notifications. This reduces false alerts by 99% for total peace of mind.

Smooth panoramic navigation

The motorized head rotates 355° horizontally and 90° vertically for complete room coverage. You can program automatic patrol points via the application.

Physical privacy protection

With a single click on your mobile, the lens physically hides downwards. This function guarantees your privacy when you are at home with your loved ones.

Enhanced active deterrence

In the event of an intrusion, the camera instantly triggers a powerful siren and a built-in light flash. This dual action immediately deters any unwanted visitor from entering further.
