

Bluetooth® Speaker SWING 15W Blue Epok

Descriptif produit

Adjustable portable sound featuring a vibrant pop design

Directional Sound Adjustment

Optimize your listening experience with a clever and innovative magnetic base. This unique design allows you to adjust the tilt of the speaker as you wish to project the sound directly towards you.

Surprising Audio Performance

Do not be fooled by its ultra-compact size standing at just 10 centimeters tall. This speaker delivers a remarkable 15W of musical power to energize all your favorite daily playlists.

Advanced Wireless Technology

Equipped with Bluetooth 5.4, it offers a fast, stable, and perfectly optimized connection for your smartphones. Enjoy smooth audio streaming without interruptions during all your travels.

Wireless Sound Amplification

Instantly amplify your audio system using the integrated True Wireless Stereo (TWS) technology. Easily pair two speakers together to create an immersive and more powerful stereo setup.

Ideal Portable Companion

Its miniature format combines with vibrant pop colors to suit every single style. The built-in 800 mAh rechargeable battery ensures great autonomy to accompany you anywhere.
